## PRODUCT SPECIFICATIONS

An Australian made umbrella engineered to a design which has proven itself in thousands of locations around Australia. Each umbrella is made-to-order allowing the perfect combination of size, shape, frame colour, canopy colour, canopy fabric, inground or bolt-down base.

### FABRIC

These umbrellas use Ferrari 502 PVC. A highly water resistant, hard-wearing fabric.

### FRAME

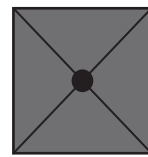

A strong aluminium frame connected with stainless steel fittings. A powder-coated gloss finish completes the package. Match the frame colour to the canopy colour.

### WARRANTY

2 Years frame and fabric Warranty.

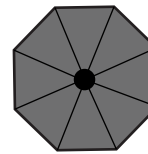

### INSTALLATION OPTIONS

Permanently anchored umbrellas. Choose between concrete slab or ground installation
