

WHAT DOES PRINTING INCLUDE?

WHAT CAN YOU PRINT?

In short, anything you would like!

We print your canopy before we sew it up. That means we can print virtually every square centimetre of the roof or wall. We use a state of the art print system called Dye Sublimation. This gives the clearest and longest lasting image possible. This means printing is charged at a flat rate.

Print one word or the entire canopy the cost is still the same. So go crazy come up with a great design for us to print to make you stand out.

NEED HELP WITH YOUR DESIGN?

Let our team create a design suited to your needs at no extra cost!

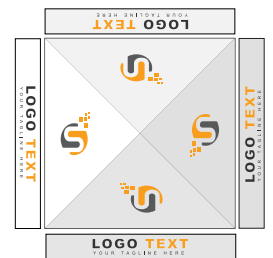

SUPPLYING YOUR ARTWORK

You can either supply your artwork completed on the relevant template or send us through your concept and any logos, taglines or fonts you wish to include. Please submit your artwork via email to info@shadeaustralia.com.au

Please note: All artwork needs to be provided in the correct format. We accept PDF, EPS, AI or 300dpi images.

PDF: Press quality, high resolution. All fonts outlined.
AI & EPS: Fonts outlined and images embedded.
JPEG: 300dpi and maximum quality.

WHERE CAN YOU PRINT?

Printing is available on the whole canopy which includes all 4 valances and all 4 sides of the roof. There are no boundaries.

DUE DATE

Please advise if you require your order by a certain date. We will try our best to get it to you on time.

ARTWORK APPROVAL

A mock up will be created for your approval once your logos/images have been supplied. It is important to check any spelling mistakes as this will not be warranted once printing has commenced.

ADDITIONAL EXTRAS

We also offer a range of printed accessories to add on to your order. They include single & double side printed side walls, half walls and flags.
