# FAIRLIGHT

LONG STANDING PROVEN DESIGN  
HIGHLY RECOMMENDED

The Fairlight is a quality and practical Aluminum market umbrella with a Silver Anodised finish. It's easy to use collar tilt feature enables the canopy to tilt to 20 degrees by simply rotating the collar on the winder housing which can be done whilst sitting down.

## FABRIC

Heard wearing Olefin canvas which offers a 96% UV Block.

## FRAME

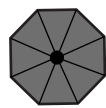

Two piece Aluminum frame with a collar tilt feature providing effective protection from the sun at all times of the day.

## WARRANTY

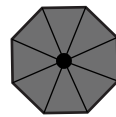

1 Year manufacturers warranty on the frame and 1 year manufacturers warranty on the canopy.

## INSTALLATION OPTIONS

This umbrella requires a base that will fit a 38 mm pole. No set up required.
